005 **Annual Town Meeting – Public Participation**

Councillors from the new controlling group on the Council introduced themselves to the meeting.

Residents in attendance raised a number of issues relating to matters affecting the Town. These included local services, planning matters, community facilities, highways and traffic concerns, and general environmental matters. Also raised were the aims of the new controlling group on the Town Council who gave assurances that they would listen to residents concerns to help inform their decisions. The Group Members set out initiatives they would be taking forward to benefit the community.

Councillors present responded to the points raised, providing clarification, updates on current and planned initiatives, and guidance on how specific issues could be taken forward through the appropriate channels.

The Chair thanked residents for their contributions and Councillors for their feedback and engagement.
