## Town Mayor's Annual Report By Retiring Mayor Councillor Harry Soar

Since taking over as Mayor last May (2008), I along with my consort, Joan, have attended twenty-seven different functions on behalf of the Town Council, all of them quite enjoyable. They included three Carol Concerts, five different school functions; two really excellent shows by Heanor Operatic Society and their Junior Group. I also officiated at the Christmas lights 'Switch On' in December and opened the Annual May Day event this month.

There have been two disappointments

- Firstly the usual Christmas Day attendance at the local hospital had to be cancelled because of ill health amongst the patients. I think it was a sensible decision by the Matron but still disappointing.  
- Secondly as I was so quickly called to the Derby Royal Infirmary for a replacement knee operation, I was on sick leave from the middle of March and the rest of April. This meant that it has been impossible to organise the usual Annual Social Evening in April. The cancellation of the social evening means there is surplus money in the Mayor's Allowance. I have decided to donate several sums to local and national charities. I have already donated £100 to The Royal British Legion in commemoration of the 65th anniversary of D-Day and to help with the refurbishment of a home in Norfolk, which will cater for traumatised service men and women. I am in negotiations with two local schools and a local Free Church Minister about potential worthwhile projects they wish to be funded. I envisage awarding about £400 in total.

Over the last twelve months:-

A council vacancy occurred when Councillor Warner left the Council and was filled after interviews by co-opting Miss Sheila Oakes onto the Council.

Amber Valley Borough Council proposed the development of land at Hands Road with houses adjacent to the Memorial Park. This created a great deal of public opposition and a public meeting was held in the Heritage Centre with the Leader of Amber Valley Borough Council and a member of the planning team present. To present day there has been no moves by the Borough Council to further this development.

Local planning applications – there has been changes in the way the Town and Parish Councils deal with these with more of a onus on us, as local councillors, to make objections and suggestions in regard to all local plans.

Trent Barton decided, with minimal consultation, to change the route of the H1 service (Derby to Heanor), resulting in the residents of Wilmot Street being extremely upset. The H1 service is still running along the new route without any problems whatsoever, and that includes Wilmot Street.

The Arts and Heritage Centre (the Old Fire Station) has proposals from both 'Shopmobility' and 'Connexions' to use the building in the near future.

The Wilmot Street Centre became the property of the Town Council in November last year and will no doubt prove to be an asset to the council and the people of Heanor.

Councillors Bob Janes and Ken Armstrong have successfully sourced funding from Derbyshire County Council to provide an 'Outdoor Gym' in Heanor. The gym will be sited adjacent to the existing children's play area on Wilmot Street.

Town Council finances – the figures show that we are in a better financial position this year than last, showing good husbandry and prudence in these matters.

## Roper Avenue Allotment Site Open Day

Roper Avenue Allotment Site held on 'Open Day' on Sunday 28th June 2009. This event was held in order to allow the public to view work carried out using the Community Priorities Grant received from Derbyshire County Council via Councillor Ken Armstrong. The site had been targeted by vandalism and thefts and the money was used to provide fencing to secure the site. Triple S Fabrications of Heanor raised the height of the entrance gate free of charge. There was a cake and plant stall and this along with refreshments and raffle takings raised £400, this money will be used to purchase a new mower and strimmer to maintain the site.

## Grants

Under Section 137 of the Local Government Act the Town Council are able to approve payment in respect of grants to organisations. At the Town Council meeting held on 14th May 2009 the Mayor and Deputy Mayor presented Rachel Evans and Hannah Birkin of Heanor Swimming Club with a Section 137 grant of £450. This money contributed towards the cost of Club members attending the Commonwealth Games as England representatives. All representatives gave an excellent performance with Rachel Evans being part of the team achieving a silver medal in the Mankin Relay Event.
