Re-Accreditation of Quality Council Status (see front page)

In order to achieve Quality Status Parish and Town Councils must demonstrate that they have reached the standard required by passing several 'tests'. The 'tests' exceed the statutory duties of Town/Parish Councils and represent the standards that an efficient, well run Town/Parish Council should achieve. Heanor and Loscoe Town Council first achieved Quality Status in 2007 and is one of only 23 Quality Councils in the County.
