Coppice Primary School EYFS Playground Grand Opening

Wednesday 13th April 2016

The sun came out just in time to celebrate the Grand Opening of the Early Years Foundation Stage Playground at Coppice Primary School.

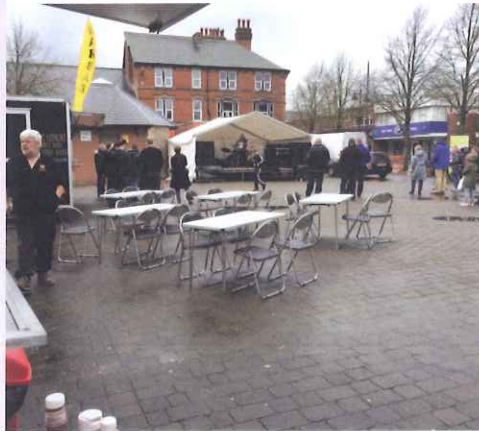

The playground has been refurbished thanks to a grant of £9942 from The National Lottery. This included artificial grass, mud kitchen, play boat and scooters.

Heather Longdon Mayor of Heanor and Loscoe, cut the ribbon to officially open the new playground. The parents, children and distinguished guests then enjoyed refreshments while exploring the exciting and stimulating environment.

Annual May Day Event

In addition to the usual activities and entertainment provided by the Town Council we decided to include live performances from a number of bands, an outside bar and catering.

Unfortunately the weather was atrocious, however it didn't appear to dampen the enthusiasm of those of you who braved the elements, so thank you for coming along and supporting this event.

Heanor Health Facilities

The former Heanor Memorial Hospital cared for generations of local residents from its opening in 1925 until its closure in September 2013. It was demolished in the autumn of 2015. The new healthcare facilities are due to open in spring 2017 with construction starting in the next few months. When the new building opens in 2017 it will be a base for a wide range of outpatient services including:

Gastroenterology, Trauma and Orthopaedics, Dermatology, Gynaecology, Rheumatology, Ear, Nose and Throat, Audiology and Pre-operative assessments. You can Follow the progress of the project on Twitter #HeanorHealthNewEra.

The Queens Oak

To celebrate the Queen's 90th birthday, Heanor and Loscoe Town Council

decided to fund the planting of an Oak tree on their Red River Local Nature

Reserve at Loscoe.

The reserve is managed on their behalf by Gary Wain of Groundwork, with the help of conservation volunteers and local residents.

On the morning of Tuesday 3rd May, Gary met with the Mayor Cllr Heather Longdon

and her consort Cllr Alan Longdon. They were accompanied by Ben, a volunteer who came along to take the photographs.

The four foot Oak tree was purchased from Derwent Treescapes with funding provided by the council. It was planted, by Heather and Alan, at the far end of the reserve, opposite the glade previously created to celebrate the Queen's Jubilee.

We were fortunate to have chosen a warm and sunny morning for the planting ceremony.
